 **YES**

**Here's why:**

- ✓ **Minimum \$3.5 million seriously needed capital investment**
- ✓ **Urgent building repairs & exciting refurbishments**
- ✓ **Incredible sponsorship for ALL our local sports clubs**
- ✓ **Strict limitations on pokie machines long into the future**
- ✓ **Guarantee the future of your Bowlo & avoid bankruptcy closure**

**If you don't vote YES, we could be closed by Christmas.  
It's that simple. This is a crisis we need your vote to solve.**

## **Dear Valued Bowlo Member,**

Your Bowlo is in financial crisis. We need a professional, long-term solution, backed by big capital investment to guarantee a successful future and avoid imminent insolvency closure.

After nearly a year getting to know the Norths Collective team and business model, your elected Board strongly, unanimously agrees that Norths are an excellent solution – and, indeed, the only sensible solution in sight.

### **But don't take our word for it...**

- ✓ The Bangalow Ladies Bowling Club supports the amalgamation
- ✓ The Bangalow Men's Bowling Club supports the amalgamation
- ✓ The Bangalow Cricket Club supports the amalgamation
- ✓ The Bangalow Soccer Club supports the amalgamation
- ✓ The Bangalow Rugby Club supports the amalgamation

... because in more than 30 years operating clubs, Norths have never asset stripped, sold off or closed down any of the clubs they have amalgamated with. Their business model is building and making clubs better, within the club's existing local community profile.

**By voting YES today, you will help us in our attempt to avoid imminent closure and guarantee the future of this club we all love so much.**
